Dear Sir:

The above-identified patent application was published on April 14, 2005 as Publication No. US 2005/0080968 A1 (the '968 publication). The '968 publication, however, includes a material mistake made by the PTO.

The material mistake made by the PTO is that all of the claims that were included in the originally-filed application (and which were not cancelled by a preliminary amendment) have been omitted, and replaced by an unrelated set of claims.

Applicant notes that a copy of the '968 publication, which has been marked up to show the location of the mistake, is attached.

Request for Corrected Publication

PATENT

In the application as filed, the relevant text (the omitted claims) appears, beginning on page 17, line 1, and continues through page 21, line 2.

Thus, in accordance with 37 CFR §1.221(b), applicant requests that the above-identified publication be corrected.

Respectfully submitted,

Dated: 5-18-05
